Transfer from *Barong Resort Ubud* to Denpasar Airport. Fly from Bali to Java. Transfer from Jakarta Airport to your hotel, *Alila Jakarta*.

Jakarta is a metropolitan city populated by more than 9 million people and has an incredibly unique diversity of tribes, languages, and cultures. We recommend you visit the **Old Town neighborhood and the Istiqlal Mosque**.

BORNEO

Day 4 - Jakarta → Kumai - (D)

Transfer from your hotel in Jakarta to Jakarta Airport for your flight to Borneo. Then, you will have a private transfer from Pangkalan Bun Airport in Borneo to **Kumai** to board the boat. You will meet the boating team – the boatman, the cook, and your expert guide – who will guide you through this amazing adventure!

The boat is a traditional **klotok**, a wooden river boat called the "**African Queen**" by many previous visitors. It measures 7.3 by 49 feet and can host up to 5 people. Its roof forms the **upper deck, from which you can watch the rainforest** as you glide by.

During this peaceful afternoon, we will slowly explore the river and **observe the monkeys along the riverside**. Dinner will be served on the boat, and you'll spend the night on the klotok boat.

Day 5 - Tanjung Puting National Park – Orangutan Exploration Day - (B/L/D)

After breakfast aboard the klotok, you and your boating crew will navigate about 2 hours to **Camp Leakey**, where older orangutans were reintroduced into the rainforest. Camp Leakey is the perfect spot to hike in the rainforest with your **expert guide and forestry rangers**. You will **appreciate the flora**, and you will be enchanted by **watching wild orangutans, gibbons, macaques, and birds**.

Then you will stop at **PondokTanguy**, the former rehabilitation center for ex-captive orangutans. Lunch will be provided on the boat. In the afternoon, you will visit **the feeding station** to see **rehabilitated orangutans** being given additional food. Then, we will navigate back down the river and spend another night on the klotok boat.

Day 6 - Tanjung Puting National Park - (B/L/D)

There are many interesting trekking trails in the jungle of **Tanjung Puting National Park**. Today, you can hike deeper into the **tropical rainforest of Kalimantan**, searching for **orangutans** and other endemic wildlife of Kalimantan, such as **gibbons, red leaf monkeys, deer, and birds**. You can also learn how the **Dayak tribes survive in the jungle**. Our guide team will show you how to identify **medicinal plants, poisonous plants, and edible plants**.

Overnight at the Rimba Lodge.

BALI

Day 7 - Borneo → Java → Bali (B)

Transfer back by **klotok** to Kumai, by car to Pangkalan Bun Airport, and fly from Borneo to Jakarta. Fly from Jakarta to Denpasar and transfer from Denpasar Airport to your hotel, *Puri Mesari*, in Sanur. *Puri Mesari* is a small, family-run hotel with friendly, personalized service in a tranquil environment on the secluded, southern end of Sanur.

LOMBOK

Day 8 - Sanur → Gili Islands in Lombok (/)

Transfer from Sanur to Serangan Harbour. Then you will transfer to Gili Trawangan Islands by BWS speed boat. Take a *Cidomo* (a small horse-drawn carriage traditionally used in Lombok) from Gili Trawangan Pier to *Desa Dunia Beda Beach Resort* hotel.

Tonight, you will stay at *Desa Dunia Beda Beach Resort*, an **eco-friendly luxury lodge**. The resort is a unique and secluded village where you can experience the pleasures of a traditional Indonesian lifestyle combined with caring, personalized service. Each house, appointed in **typical Javanese**, is elegantly decorated with **traditional furnishings** and offers a **sea view** and a **private balcony**.

Night at the *Desa Dunia Beda* hotel.

Day 9 - Gili Trawangan (/)

Free Day. You have the whole day to explore on your own. Here are some suggestions:

Lombok and the Gili Islands are a tourist's dream – **white sand beaches in every direction, often protected by coral reefs!** This archipelago, located on the northwest side of Lombok, is comprised of

three small islands – **Gili Air, Gili Meno, and Gili Trawangan**. Many of the older generation of inhabitants of the Gili Islands still make their living as boatmen, fishermen, and coconut farmers.

Gili Meno is home to spectacular dive sites, including **Meno Wall, Sea Turtle Point, and Blue Coral Point**. The island also hosts Lombok's **world-class bird park – Gili Meno Bird Park Resort**.

From **Gili Trawangan**, you can easily explore the other Gili Islands during the day, **rent a bike, scuba dive or snorkel, swim in the island's clear waters, or just relax on the beach while getting a wonderful massage**.

Day 10 - Gili Trawangan → Senggigi (/)

Transfer by boat from Gili Trawangan to **Senggigi**, located on the main island of Lombok.

Like most of the islands in Indonesia's archipelago, Lombok centers around a **volcano, Mt Rinjani**, which reaches 12,224 feet high, making it the country's third highest volcano.

This is your last day in Indonesia. You can take **a surf lesson at Senggigi beach, hike around Mt Rinjani, snorkel, go shopping, or just relax on the beach while sipping a delicious Indonesian cocktail**.

Tonight, you will stay at the *Quinci Villas* hotel, a beautiful, elegant, and gracious resort in Lombok, and an ideal location for your final day on the island.

Day 11 - Final Day (/)

Transfer from *Quinci Villas* to Lombok International Airport.
